Introduction

This is a template for sharing task status among team members.

Task consists of 4 steps: "To Do", "Running", "To Review", and "Done".

The progress status of all tasks registered by team members including myself is displayed step by step.

You can register a task through the New Task button.

The image shows a mobile application interface for task management. In the background, there's a 'Task Manager' screen with a progress bar at 13% and several task cards for 'Agados Academy Project' with statuses like 'To Do', 'Running', and 'High'. Overlaid on this is a modal form titled 'Item Information'. The form contains fields for 'Task Title' (with a placeholder 'Task Title...'), 'Description', 'Due Date' (with a placeholder 'yyyy-MM-dd' and a calendar icon), 'Priority' (with radio buttons for Low, High, and Medium), and 'Status' (with radio buttons for To Do, Running, To Review, and Done). Below these is a section for 'Notes' with a placeholder 'Add a note...'. At the bottom of the modal are three buttons: 'Save' (blue), 'Delete' (orange), and 'Add Post' (grey with a plus icon). There are also 'Delete Post' and 'View Team' buttons visible in the background interface.

Enter Title, Description, Due Date, Priority, Status and click Save to register.

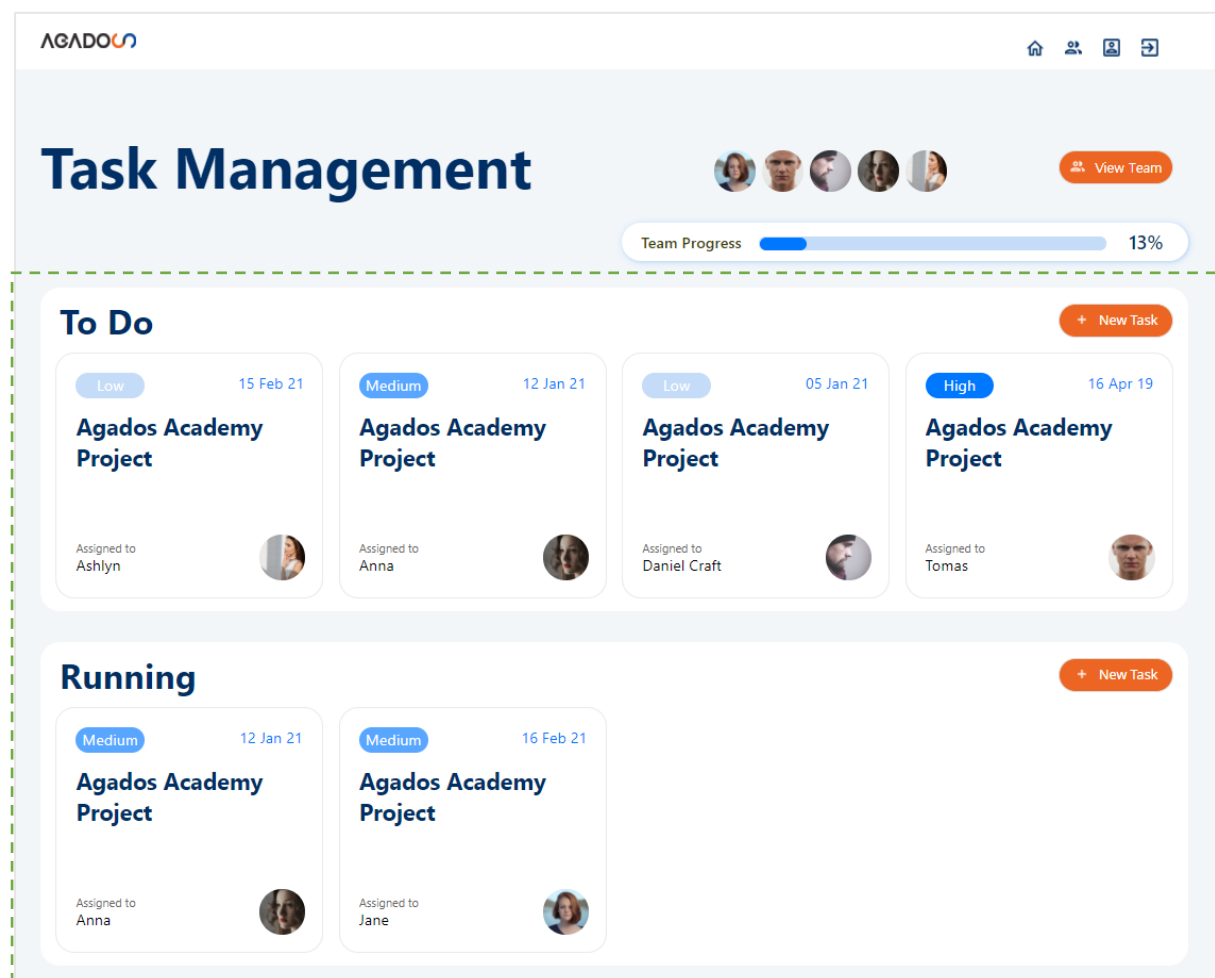

You can edit or delete it at any time by selecting the task tile on the main screen. (However, it is only possible for tasks registered by me)

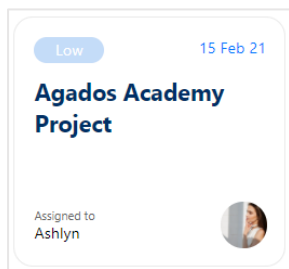

You just need to change the Status every time the work progresses.

Screen description

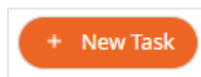

1) Main

- Related object : MainWForm, TaskWESet, TaskRSet
- A screen that displays a list of tasks. When selecting a tile, detailed information can be checked, modified, and deleted. You can register a new task by clicking the new button.

: Registered task information (Priority, Due Date, Title, UserName, UserImage), Detailed information can be checked by clicking

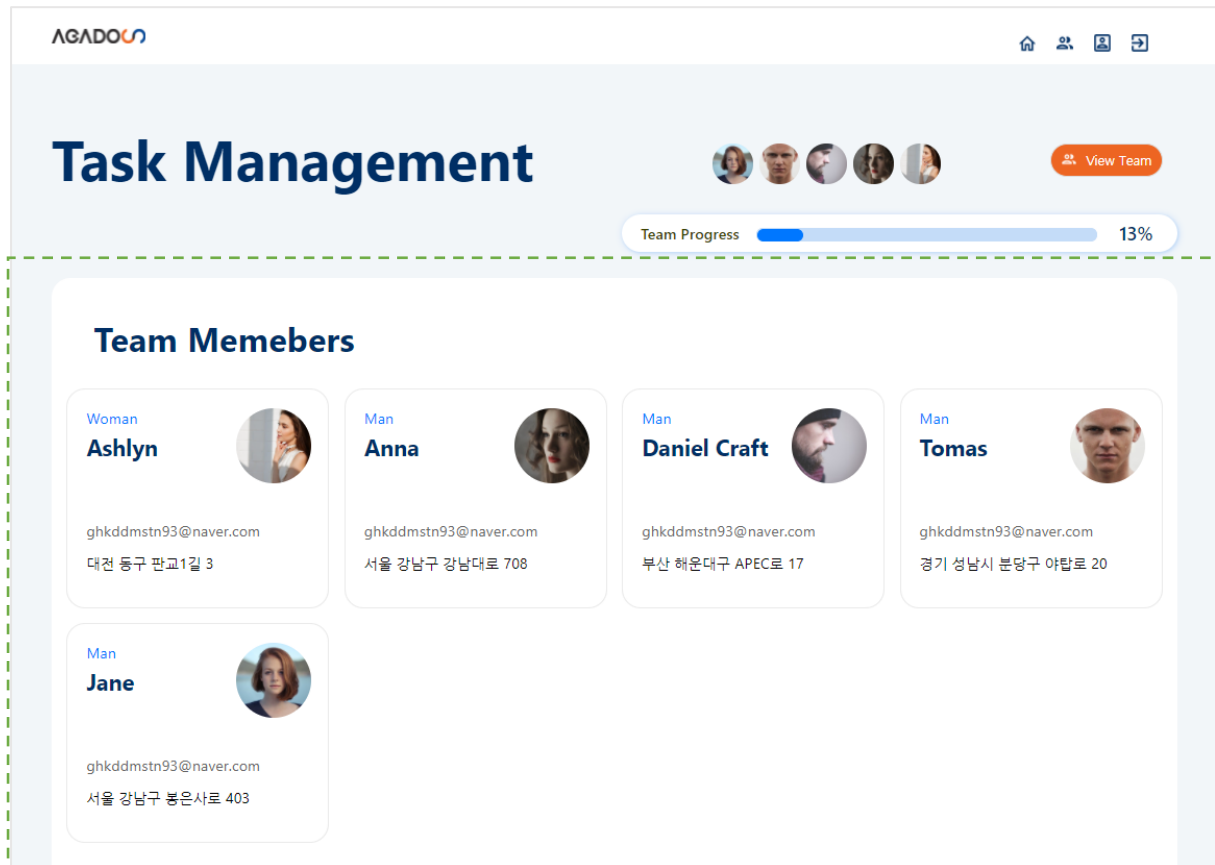

: Button to register a new task

A gray pop-up window titled 'Item Information' with a close button (X) in the top right corner. It contains several input fields and radio buttons. The 'Task Title' field has 'Agados Academy Project' entered. The 'Description' field is empty. The 'Due Date' field shows '2021-02-15' with a calendar icon. The 'Priority' section has three radio buttons: 'Low' (selected), 'High', and 'Medium'. The 'Status' section has four radio buttons: 'To Do' (selected), 'Running', 'To Review', and 'Done'. Below these is a large text area with the placeholder 'It is a space to display note data'. At the bottom of the form is a 'Notes' section with a text input field containing 'Add a note...'. At the very bottom of the pop-up are two buttons: a blue 'Save' button and an orange 'Delete' button.

: A pop-up that allows you to register, edit, or delete tasks. You can also write a note about the task.

2) Team (Member)

- Related object : TeamWForm, TeamWESet, TeamRSet
- A screen that displays a list of teams (Part of user profile information)

3) Profile

- Related object : MyProfileWForm, MyProfileWESet, SignUpRSet
- Screen to manage my profile information

The screenshot shows a web application interface for 'AGADOUS Task Management'. At the top, there's a navigation bar with the logo and icons for home, users, and settings. Below this, a 'Task Management' header is displayed with a team progress bar at 13% and a 'View Team' button. The main content area is titled 'My Profile' and contains a form for updating user information. The form includes a profile picture section with an 'Edit Image' button, and fields for Name, ID, Date of Birth, Gender, E-mail, Password, Password Confirm, and Address. A 'Save' button is located at the bottom right of the form.
