```

8. Change the border radius of the white background Panel to be smoother

- Try smoothing the corners of the white background.

1) Open MainWForm.

2) Change the **border-radius** CSS of the Panel control to "30px".

9. Popup animation change

- Try changing the animation of the popup to Pop.

1) Open MainWForm.

2) Click the WebPopup control on the Control Resource tab.

3) Change **animation – show – type** property to Pop

The screenshot shows a 'Item Information' popup window with a close button (X) in the top right corner. The form contains the following fields and controls:

- Task Title:** A text input field containing 'Agados Academy Project'.
- Description:** A text input field containing '312412314'.
- Due Date:** A date picker field showing '2021-02-15' with a calendar icon.
- Priority:** Three radio buttons labeled 'Low' (selected), 'High', and 'Medium'.
- Status:** Four radio buttons labeled 'To Do' (selected), 'Running', 'To Review', and 'Done'.
- Notes:** A text area containing the placeholder text 'It is a space to display note data'.
- Buttons:** At the bottom, there are two buttons: 'Save' (teal) and 'Delete' (orange). Above the 'Delete' button are two smaller buttons: '- Delete Post' and '+ Add Post'.

10. Popup title change

- Change the title of the popup to Task Information.

1) Open MainWForm.

2) Click the WebPopup control on the Control Resource tab.

3) Change the **title** property

The image shows a screenshot of a web application with a modal popup titled "Item Information". The popup has a green header bar with a close button (X) on the right. The main content area is white and contains several form fields and controls:

- Task Title:** A text input field containing "Agados Academy Project".
- Description:** A text input field containing "312412314".
- Due Date:** A date picker field showing "2021-02-15" with a calendar icon on the right.
- Priority:** Three radio buttons labeled "Low", "High", and "Medium". The "Low" button is selected.
- Status:** Four radio buttons labeled "To Do", "Running", "To Review", and "Done". The "To Do" button is selected.
- Notes:** A text input field with the placeholder text "Add a note...".
- Buttons:** At the bottom of the popup, there are two large buttons: a blue "Save" button and an orange "Delete" button. Above these, there are two smaller buttons: a grey "Delete Post" button and a dark grey "Add Post" button.

The background of the application is a dark grey sidebar with various user avatars and text elements, partially visible behind the popup.

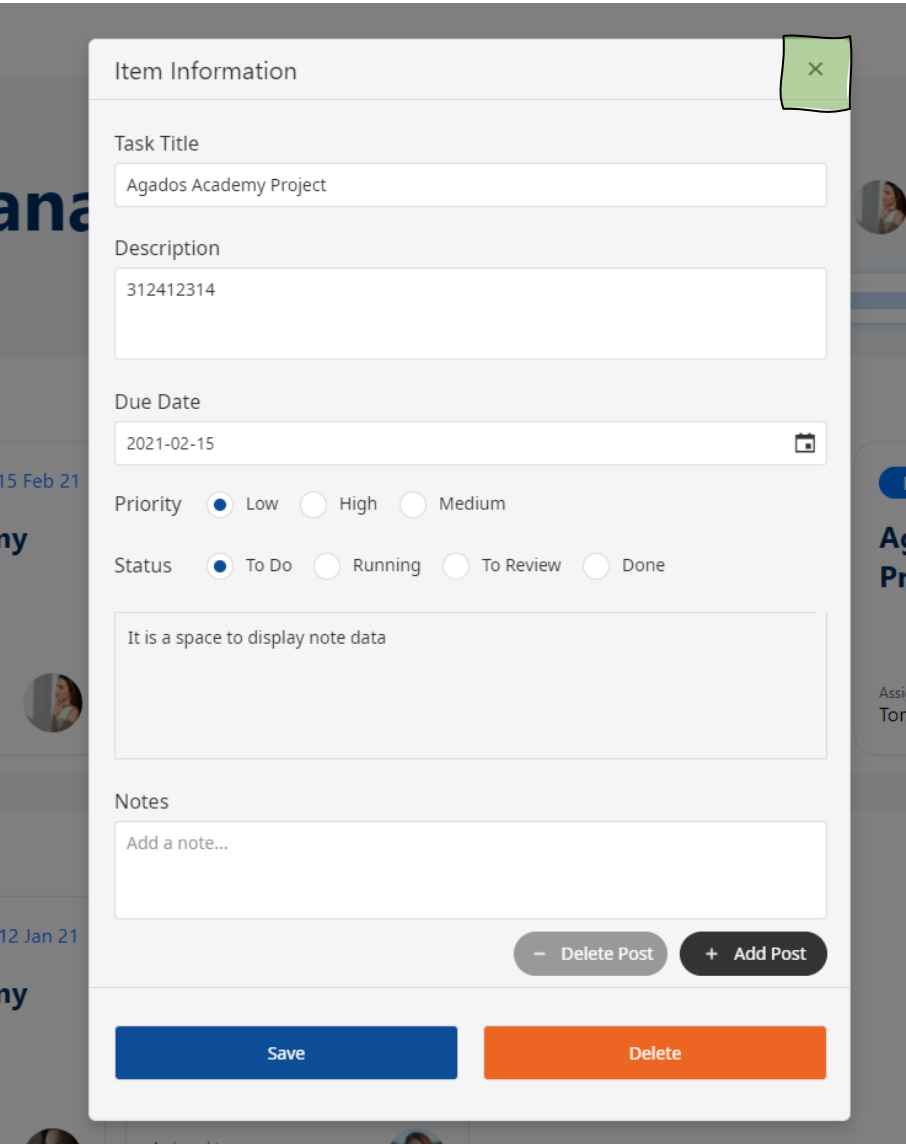

11. Delete popup close button

- Try removing the Close Button from the pop-up.

1) Open MainWForm.

2) Click the WebPopup control on the Control Resource tab.

3) Change the `showCloseButton` property to false

The screenshot shows a web application interface with a modal popup titled "Item Information". The popup contains several form fields and controls:

- Task Title:** A text input field containing "Agados Academy Project".
- Description:** A text input field containing "312412314".
- Due Date:** A date picker field showing "2021-02-15".

13. Change menu icon

- Try changing the menu icon.

1) Open MenuLayoutWForm.

2) Change **items** – **item** - **Icon** property

The screenshot displays the AGADO Task Management interface. At the top, the AGADO logo is on the left, and a navigation menu with icons for home, users, tasks, and a plus sign is on the right. The main header area features the title "Task Management" in large blue font. To the right of the title are five circular profile icons and a "View Team" button. Below the header, a "Team Progress" bar shows 13% completion. The central content area is titled "My Profile" and contains a form for user information. On the left of the form is a circular profile picture of a woman, with the text "Only Image files" and an "Edit Image" button below it. The form fields are arranged in two columns: Name (Ashlyn), ID (id), Date of Birth (EX) 20200204, Gender (radio buttons for Man and Woman), Password (Up to 16 characters / Numeric, English allowed), Password Confirm (Up to 16 characters / Numeric, English allowed), E-mail (ghkddmstn93@naver.com), and Address (34672, 대전 중구 판교1길 3, 12345). A "Save" button with a checkmark is located at the bottom right of the form.
