Change the color of the indicator at the bottom of the gallery	1
Add menu item	2

1. Change the color of the indicator at the bottom of the gallery

- Try changing the color of the indicator at the bottom of the gallery to `rgb(249, 77, 77)`.

1) **Solution – HTML CSS – Casual_PreviewWForm** Click.

2) Change **background** CSS of line 1 and 8 to `rgb(249, 77, 77)`

```
1  /* gallery indicator border, color */
2  .agados-casual-gallery .dx-gallery-indicator-item{
3      background : #333333 !important;
4      border : 0px !important;
5  }
6
7  /* gallery indicator selected border, color */
8  .agados-casual-gallery .dx-gallery-indicator-item-selected{
9      background : #ffffff !important;
10     border : 0px !important;
11 }
```

2. Add menu item

- Add a 'SCARF' sub-menu under the 'WOMAN' menu.

- 1) Open FoodLayoutForm.
- 2) Click on the Items property
- 3) After selecting the 'WOMAN' item, add WebMenuItem.
- 4) Change the text of the added item to 'SCARF'
