Approvals Guideline

2021.05.17

Contents

# 1. **Change menu icon**

- Change the icon in the menu.

1) **Solution – HTML CSS – Approvals_MenuLayOutForm** Click

2) Change content CSS of line 42 to "₩f1e5";

```
39    /* submissions */
40    .agados-approval-tile-view3 .dx-tile:nth-child(1) .agados-approval-label3:before,
41    .agados-approval-tile-view4 .dx-tile:nth-child(1) .agados-approval-label3:before{
42        content: '₩f14a';
43        font-family: "Font Awesome 5 Free";
44        font-weight: 900;
45        font-size: 30px;
46        display:block;
47        text-align:center;
48    }
```

The cheat keys for the icon can be found on the site below.

https://fontawesome.com/v5.0/icons?d=gallery&p=2

2. **Change menu highlighting**

- Change the highlighting, such as hovering the menu, inverting the color that appears when selected.

1) **Solution** – **HTML CSS** – **Approvals_MenuLayOutForm** Click

2) Change background-color CSS of line 35 to "rgb(82 137 255);";

```
22    /* menu tile item default css ( hover, focused, active, selected ) */
23    .agados-approval-tile-view3 .dx-tile.dx-state-hover,
24    .agados-approval-tile-view3 .dx-tile.dx-state-focused,
25    .agados-approval-tile-view3 .dx-tile.dx-state-active,
26    .agados-approval-tile-view3 .dx-tile.selected,
27    .agados-approval-tile-view4 .dx-tile.dx-state-hover,
28    .agados-approval-tile-view4 .dx-tile.dx-state-focused,
29    .agados-approval-tile-view4 .dx-tile.dx-state-active,
30    .agados-approval-tile-view4 .dx-tile.selected,
31    .agados-approval-tile-view5 .dx-tile.dx-state-hover,
32    .agados-approval-tile-view5 .dx-tile.dx-state-focused,
33    .agados-approval-tile-view5 .dx-tile.dx-state-active,
34    .agados-approval-tile-view5 .dx-tile.selected{
35        background-color: rgba(10,18,35,1);
36        color: white;
37    }
```
